

HELPFUL IEP Questions

These are some questions that may assist the team to establish a review of IEP goals and objectives.

1. What progress has been made towards the goals and objectives?
2. How does the staff monitor the goals and objectives?
3. How is your child involved in monitoring their progress towards the goals and objectives?
4. How relevant were the goals and objectives to your child's needs?
5. To what extent does the IEP help your child become involved with the school community?
6. How is your child feeling about the school and the progress that has been made?
7. How useful was your contribution to the plan?

You may want to suggest new priority goals and objectives based upon any changes, worries, or developments in your child's life.
